Please READ and CHECK the box:

☐ I understand that this is a Virtual Camp that will be accessed through my gmail address, via the Google Classroom. I will receive instructions for access that will occur each day June 28 -July 2 2021. I understand that the lessons and activities designed by the WBNS Teaching staff are to be implemented at home with guidance from parents (especially for children 7 and under) and can be utilized in any way that works best for our family. I understand that the material needed for the lessons and activities are common items found in a home or yard and will NOT be provided by WBNS. I understand that the culminating event is in preparation for a family campout and that there will be several levels of optional engagement including opportunities to post pictures and share stories of the weeks adventures with the other participating families. We are excited to learn more about how to enjoy and survive in the great outdoors!
